COMPLAINT SWORN OUT AGAINST SECRETARY OF THE BUTTE JOCKEY CLUB.

Hearing on Disputed Points of Montana Law Set For Monday Next and Racing Will Continue in

Butte, Mont., August 9.—The controversy over the interpretation to be placed upon the law limiting racing in Montana was brought to an issue today, when William Gemmell, secretary of the Butte Jockey Club, was arraigned on a complaint charging him with violation of the law which makes betting on the races illegal except during the period of thirty days in each year during which racing enclosures in this county are expressly exempted from the provisions of the law. By special arrangement and for the purpose of making a court test of the points of the law involved in the controversy, Mr. Gemmell made a bet at the track yesterday in the presence of County Attorney Thomas J. Walker and gave into the custody of the county attorney as evidence the ticket which he received as a receipt for his bet.

The complaint against Mr. Gemmell was sworn out by F. W. Grady, treasurer of the Butte Driving Club, an organization which conducts trotting races here. The case will come up for hearing in the justice court on Monday next and in the meantime racing will be continued as usual.

Endymion II., Eugene Moyne's wonderfully improved gelding, again demonstrated his worth this afternoon, being returned winner over the best milers at the track in the feature race of the day, a handicap at one mile in the good time of 1:41 over a track that was quite slow owing to showers that fell intermittently. Favorites fared badly, only one finishing first.

Wade McLemore, who has been at his Texas ramch since the Lagoon meeting, arrived today, For inconsistent running the further entry of Gene Russell has been crdered refused.

Jockey Warren has severed his connection with the Bedwell stable and will ride free lance in future. Frank Mullens, when running prominently in the third race, broke down so seriously that it was 't first feared that it would be necessary to destroy.

#### MONTREAL STAKES FILL SATISFACTORILY.

Entries Received Exceed Number for Any Previous Fall Meeting at Blue Bonnets Track.

Montreal, Que., August 9.—The entries for the eight stakes to be run during the fall meeting of the Montreal Jockey Club, September 9 to September 16, have all arrived. There are close to seventy nominators this fall, which is far in advance of the record of any previous fall meeting. The stakes have all filled well and it is evident there will be many newcomers. Three of the eight stakes are for Canadian horses, one being for Canadian-owned and the other two for Province-breds. Of the five open events, three are to be run on the flat and the others through the field. There have been 200 applications for stabling accommodations already, although the opening of the meeting is more than a month away. There will be room for all who wish to come. Many improvements have been made during the summer that are sure to be appreciated by the owners and trainers.

The steeplechase entries show a big increase over last autumn. About thirty are named in the Strathcona Stakes, which is an increase of five. This year will see the first running of the Hendrie Memorial as a stake fixture and it, has attracted a better class of jumpers than ever raced at Blue Bonnets. There has been an increase in the values of the purses, as well as in the stakes, and this will prove a big attraction. The ring will again be in charge of Mortimer Mahoney. The program book is in the hands of the printers and will be incharge of Mortimer Mahoney. The program book is in the hands of the printers and will be sinchded Lovetic, which was on the shelf at Cobourg all summer as a result of having contracted a cold during the spring meeting at Toronto, This horse has been going along slowly for the past month. He will be fitted for this and the Toronto horses regular work at the track each morning. Starting on Monday owners and trainers will be able to school their horses at the barrier at Blue Bonnets each morning. This will give the local owners a good chance to educate their mominees for the King's Plate and the Provincial Nursery Stakes.

#### DUFFERIN PARK MEETING ENDS.

Toronto, Ont., August 9.—The first of the 1911 meetings of the Metropolitan Racing Association came to a close today with the running of a card of ten races. The best finish of the meeting marked the ninth race when the placed horses finished noses apart with Stick Pin, an outsider, leading the way. Horace E. was heavily backed to win the closing race, his odds being hammered down from 15 to 2. He finished a distant third.

Pace, his odds being hammered down from 15 to 2. He finished a distant third.

The sale of Frank Burrows' horses did not take place, owing to customs difficulties, but they will be sold with some others on Tuesday.

Many of the horsemen now here will ship to Hamilton in the course of the next two days.

Jockey Bergen is reported to be improving rapidly.

#### NOTES OF THE TURE.

John W. Gates, whose plunging proclivities brought him into prominence on American race tracks, died yesterday moraing in Paris.

The Prix de Viller was won by H. B. Duryea's Shannon at Deauville in France yesterday. In the Prix de Souvres W. K. Vanderbilt's Marmora unished second and his Canadienne came in second in the Prix de Honfleur.

The condition of the course after a recent heavy rain leads the management of the new track at Alan, Idaho, to believe that it will never be heavy. An hour or so after the rain ceased, the surface of the track appeared dry. It is constructed with a sandy loam dressing over a gravel foundation.

#### JOCKEY WASHEAR RIDES WELL.

Muskogee, Okla., August 9.—Today brought a marked improvement in attendance as compared with the two previous days, as well as an increase in speculation. In the second race Bill Anderson bolted to the outer fence when he appeared a likely factor. The feature of the day was the riding of jockey Washear, he winning three races out of live chances. Crossover, the odds-on favorite of the feature, seemingly did not like the hard track and quit badly under punishment.

IMPORTANT EVENTS DECIDED IN ENGLAND

Swynford's Easy Defeat of Lemberg in the Eclipse Stakes Ends Long Continued Rivalry,

Stakes Ends Long Continued Rivalry.

London, Eng., July 17.—The week just past was of high importance and abounding interest. Aside from racing, the sale of Seeptre as a feature of the dispersal of the stud collected by Sir William Bass, was a feature overshadowed in lively interest by none and unbounded satisfaction was expressed when it became known that Messrs. Tattersall had bought her on their own account, because of a patriotic defermination to keep the great mare in England for the remainder of her days. As she is still young as a broodmare and fruitful, it is quite within the bounds of reasonable probability that her new owners will reap more than a small profit from her produce, besides gratifying the praiseworthy sentiments inspiring her purchase. An arrangement to breed her to Swynford in 1913 has already been made. If the result is a colt it is not hard to imagine that one so bred might bring a price in a sales ring to rival that which "Bob" Sievier gave for Seeptre herself as a yearling.

Swynford won the Eclipse Stakes at Sandown Park last Friday and in doing so defeated Lemberg so easily as to utterly dissipate, the legend of rivalry between the pair. Lemberg's admirers still claim that the colt should have won the St. Leger of 1910, but on all hands it is now conceded that at present Swynford is invincibly his superior and undisputably the horse of the year. His victory in the Eclipse made him the premier of our winning horses and if it is decided to start him in the other "ten thousand pounder," the Jockey Club Stakes at the Newmarket First October meeting, no one doubts his ability to add that rich event to his spoils of the year. The Eclipse Stakes was of the net value of \$43,675 and is decidedly the most valuable event of the English turf.

Saturday's racing at Sandown Park brought about the decision of England's most valuable race for two-year-olds, the National Breeders' Produce Stakes, of the net value to the winner this year of \$21,775. For this W. K. Vanderbilt had sent his filly, Sight

muscular filly, but not a large one. Being by the best Derby winner of recent years from a sister to Pretty Polly, she can truly be called "bred in the purple."

On the second day of the Newmarket Second July meeting Kempion gave twenty-six pounds and a three-lengths beating to Wolf's Pride in the Sale Stakes. Other useful two-year-olds were behind the pair and Kempion vindicated his claim to be ranked with the best of his age. Another American form when he ran second to St. Crispin in the Dulingham Plate at a mile and a half, giving the winner no less than twenty-eight pounds. This costly horse is probably becoming acclimated and may presently be winning good races for Mr. Winans.

News comes from Findon that the well-known steeplechaser, Cackler, has been destroyed. He met with a bad accident while schooling at Sandown Park in the spring, from which, despite veterinary attention, he never recovered. The loss of the son of Hackler and Circe is a bad one for Mr. Assheton-Smith, who purchased him for a large sum. He was bred in Ireland, and, carrying the colors of J. J. Maher (who bred him), he showed himself a smart chaser as a four-year-old, winning four cross-country events at that age. As a five-year-old, having passed into the possession of Mr. Assheton-Smith, he was undefeated, and included among the races he won the Champion Steeplechase at Liverpool. He ran second for the same event the following year, carrying top weight of 175 pounds, and at the November meeting put in a champion performance by winning the Grand Sefton Steeplechase by a dozen lengths under 171 pounds. He took the race a second time in 1910, and again won easily, his weight then being 175 pounds. Cackler was a steeplechase of the highest class, and the ranks of our cross-country horses are much the poorer by his death. It is generally known that at Sandown Park the whole of the catering arrangements, both for the club members and for the public, are carried out by the officials of the company. It is the first aim of the directorate that

ices.

Swynford never looked in finer heart and fettle than he did when stripped for the Eclipse Stakes, his strong hocks and powerful leverage being calculated to serve him when it came to tackling the final ascent to the winning post. His great rival went to the post with more elasticity of stride than he did at Newmarket, and no possible excuse could exist for his defeat. Lord Derby's stout-hearted colt fairly galloped the heart out of last year's Derby winner.

Fidelio, 5, by Gallinule out of Firelight, and Make Haste III., 4, by Osboch out of Punaise, have been purchased by J. W. Baxter, London, for his Highness the Maharajah of Cooch-Behar, and dispatched to India. Higgs has been offered a big retainer to ride in India next winter for his Highness.

ness.

Alcantara II., winner of the French Derby, will fulfill his engagement in the Prix Eugene Adam at Maisons-Laffitte on the thirtieth inst. Baron de Rothschild's colt will then be sent to Newmarket, where he is to run in the Jockey Club Stakes. The son of Perth and Toison d'Or is remarkably well and doing regular work.

Col. Hall Walker, who a few years ago was a liberal patron of the turf in Ireland, has decided to renew his acquaintance with it, and towards that end has sent several well-bred yearlings, as well as some older horses, to his former trainer, John Smith, who presides at Rossmore Lodge, Curragh.

With the sale of the yearlings at Newmarket last week the whole of Sir W. Bass' breeding and racing stud has been disposed of. The total sum realized was \$230.076.

stud has been disposed of. The total sum realized as \$230,076.

J. Cole, a well-known trainer in France, has just died after a very long illness. He had retired from the turf some years ago. His training career was a very successful one.

The two-year-old colt by Sundridge—Dorls, owned by J. B. Joel, has been named White Star.

H. P. Whitney's filly First Flight, by Thrush—Earl's Seat, was bred to Land League last spring. She is a very excitable filly and this was done in the hope that it would quiet her. She won the Bury Handleap at Newmarket last week in a remarkably game finish, "Skeets" Martin putting in some splendid work in the saddle to land his mount a head victor.

Saratoga, N. Y., August 9.—Judge Mirabeau L owns of Brooklyn, who is spending a vacation here hen asked for a statement on the racing situation,

DISCUSSES NEW YORK SITUATION.

when asked for a statement on the racing situation, said:

"The Hart-Agnew law, when tested out in court, failed to accomplish the purpose which the enemies of racing had designed, namely, the prohibiting of racing, for the court held that a wager made between two individuals on a race track, or anywhere else, was not a crime. Mr. Hughes, then Governor, it seems, was bound to abolish racing and put through the bill of 1910 which undertook to make not only a corporation or association owning a race track but the officials thereof, llable to be punished for a misdemeanor if a wager was made between any two persons during the meeting, and thus we have a proposition that an officer of a corporation owning a race track may be arrested and punished because a bet has been made between two individuals, although in making the bet the parties making the wager are guilty of no offense.

"It is plain to me that if we could take a vote on the question whether racing should be abolished in the State of New York, the answer would be three to one in favor of the continuation of this harmless and elevating sport. I believe the people think that some means should be devised to keep wealthy men here. Do the people wish, merely at the behest of a few thousand moral fanatics, to drive out of New York State \$50,000,000 and paralyze all the industries and endeavors that the expenditure of such a sum would keep alive?"

#### GOSSIP FROM KENTUCKY SOURCES.

Louisville, Ky., August 9.—Governor Gray is once more in Kentucky. He will not race again until the fall meeting at Lexington, but from then on will be kept busy until Kentucky racing closes. Capt. J. T. Williams says his noted gelding is at his best and he is fully determined to fit the son of Garry Herrmann and Salama for the rich Endurance Stakes, since he thinks four miles is not too much of a task for a sturdy three-year-old like Governor Gray to undertake.

task for a sturdy three-year-old like Governor Gray to undertake.

B. A. Trammell, writing to a friend at Churchill Downs, reports that his good two-year-old filly, Calisse, winner of the Santa Clara, Debutante and Clipsetta Stakes, had spread out considerably since she was shipped to Texas. Mr. Trammell's string will race at Juarez the coming winter and in 1912 he will try for the Juarez and Kentucky Oaks races with the speedy daughter of Abe Frank.

#### ETHELDA BEATS JOHN GRIFFIN II.

Lexington, Ky., August 9.—The attendance at the Blue Grass Fair today was 12,000 and the running races were highly enjoyed. Until the last sixteenth it looked as if the veteran John Griffin II. would win, but Ethelda overhauled him and easily beat him. Going Some was never in trouble in her race. The spectacle of an aeroplane flying about 200 feet above the horses in the second race was a novel one. J. 'A. McCurdy was the aviator.

The Derby winner Sunst	ar is	no longer	leader

The Derby winner, Sunstar, is no longer leader among the winning horses of the year, Swynford's brilliant victory in the Eclipse Stakes advancing him to the head of affairs, but Sunstar is not far behind and will go to the front again if he wins the St. Leger. Three newcomers in the list of winners of \$10,000 or more are King William, the Spearmint—Adula filly and Sunstar's brother recently named White Star. The list is now as follows:

The distinctive features of the table	e of	the prin-

The distinctive features of the table of the principal winning stallions are the strong advance effected by John o'Gaunt and the first appearance in the list of the name of Spearmint, thanks to the high stakes competed for recently at Sandown Park. The victory of Swynford in the Eclipse Stakes has enabled his sire to jump right up into second place, and even challenge almost the premiership of Sundridge himself, while Spearmint owes his position entirely to the two-year-olds Javelin and Adula filly. It is worthy of mention that this is the first season of Spearmint's stock to run. Useful progress has been effected by William the Third, Desmond, St. Frusquin and Cyllene, and other fresh arrivals are isinglass and Eager. Common comes in again, fol-
